Yang Mulia Tunku Shariman,

Thank you for your positive response to our request to meet with you at 11 a.m on Monday 31st May at your office. My colleague Mr Alain Aeschlimann and I look forward to seeing you then.

In the meantime, it is my pleasure to attach a report on the ICRC's physical rehabilitation programme for the benefit of persons wounded as a result of hostilities in the Gaza Strip and surrounding areas. As you will note, in 2009 the ICRC made available wheelchairs and prosthetic devices; provided on-the-job training and support to Palestinian health and medical personnel; as well as financed the expansion of the Artificial Limb and Polio Centre.

This was made possible in part by the contribution of the Malaysian Red Crescent (MRC) of MYR 1 million (CMF 313,225_06) to the ICRC. I would like to take this opportunity to express our appreciation for this generous support. For your information, the MRC's contribution is mentioned in the ICRC 2009 Report.

It is the ICRC's sincere hope that we may look forward to continued support from the MRC in the future. Meanwhile, we remain at your disposal should you require any further information on our assistance programmes in the Gaza Strip as well as in other contexts.

Thank you and best regards,

Yours sincerely,

Yours sincerely,

Tobias Epprecht
