Dear Nasir,

Thanks for your message.

I hope that this time you will be able to visit us in Gaza. The time should be suitable for my colleagues in Gaza and Cairo too.

Please let me know if any change in your plan is to occur.

As mentioned in my previous email, please feel free to contact my colleague Ms. Mai Aref in Cairo in case you need anything there.

I m sending you my mobile number (972 599 25 11 16) to call me when you leave cairo on the way to Rafah border so that I can arrange with my colleagues in Gaza to meet you.
